SAVAGE SISTERS

### **Resident Requirements**

In order to deal with the root of our residents issue, and promote their long term recovery Savage Sisters Recovery Incs Residents are required to follow the structure and guidelines of our program. The structure and guidelines are listed in the Orientation Handbook, and are as follows:

- There is a mandatory house meeting on Sundays. The remainder of the day you must be on property, unless previously discussed with the House Manager.
- Curfew is Sun-Thur 11pm/ Fri-Sat 1am weekday/weekend
- Residents must go on job search 10am-4pm weekdays until they are gainfully employed
- Within two weeks residents must have a sponsor and a home-group
- Within 30 days residents must have a commitment
- Complete a 90 in 90 and a minimum of 5 meetings per week after that.
- While residents are on the Orientation stage, they must attend meetings with a senior member of the houses unless otherwise approved by the House Manager or Zoom meetings
- Residents can have personal items (i.e. rooms, purses, phones and person) searched at the discretion of the House Manager. No locked rooms, no lockboxes or safes
- Any packages delivered to the property will be put in the house manager's room and opened together with the recipient present.
- House Manager reserves the right to enforce restrictions to privileges due to rule breakage from a period of 3-30 days
- Guests are permitted in the house but first must be approved by the HM
- Chores must be done prior to leaving the house
- No fraternizing with residents living at Savage Sisters/SIR houses
- Residents are required to participate in at least one other treatment program, clinic, self help group, but are allowed to choose of their own accord which one they utilize.
- In case of relapse, residents are required to leave the facility within 24 hours. Residents are encouraged to attend a 21-30+ day treatment, and then return to our program. Residents are provided with assistance in getting into a treatment facility. The Director of the Program has the option of holding a bed for the resident if they are willing to go to treatment so they can come back when they complete.
- All rental payments for future periods are to be immediately returned to the resident upon dismissal or exit from the program.
- Residents are required to abstain from the use and sale of alcohol and illicit drugs. Residents that use or sell alcohol or illicit drugs will be terminated from the program, and must leave the property within 24 hours.
- If any of the Resident Responsibilities are not met, the Property Manager and Program Director have the right to enforce consequences that consist of dismissal from the program, a temporary blackout period, required attendance of certain AA / NA meetings at certain times, or additional in house chores.
